The ISHRAE CERTIFICATION PROGRAM offers all HVAC&R personnel the opportunity to enhance their skill set, while ensuring an industry wide standardisation of project competency.

WHAT IS ICP AC SERVICE LEVEL- 1?

Level 1 is an entry level program, and anyone interested in HVAC & R industry, whether novice or experienced, is welcome to sign up for the certification course.

ELIGIBILITY FOR ATTENDANCE

Junior & senior service technicians, a/c mechanics and plant operators preferably having minimum ITI or equivalent qualifications in air-conditioning and refrigeration systems.

Participants from servicing & repair establishments, installation & contracting firms carrying out routine servicing of light & domestic air conditioning units, package & ductable a/c units, small central plant installations, service departments of manufacturing companies, hotels & commercial establishments. Professionals interfacing with air-conditioning industry will also find this valuable certification useful.

VALIDITY OF THE CERTIFICATION

5 years from the date of certification.

AWARDING OF CERTIFICATES

The course comprises of two modules each of two days. At the end of the second module there will be an examination. Certificate of accomplishment will be issued to those candidates who attend the two modules and successfully complete the examination.

Those who attend the course and do not pass the examination, will be given a chance to retake the examination when it is held again, after paying the fee of Rs 750/-.

ISSUING OF CERTIFICATES

The certificates of accomplishment will be issued by IIE HQ, who will also maintain records of certified professionals. Names of successful candidates will be listed on the ISHRAE website for the duration of validity.

RE-CERTIFICATION

Certificates are valid for 5 years. After this period, candidates will be eligible to retake the examination by paying the applicable fees.

Candidates can take the Level 2 certification once they have been certified for Level 1.

CLASS STRENGTH

Class strength will be limited to a maximum of 20 students to enable the instructor to give individual attention. In any case, the class strength shall not exceed 25. Admission will be on first come first serve basis.

MODULE

Level 1 will have two modules each on two consecutive days, requiring a total time commitment of four days. Both modules must be attended, and at the end of the second module candidates will need to sit for an exam.

Course fees is Rs 5000.00 plus GST@18% will be extra.

A re-exam fee of Rs 750/- will be charged for any candidate who fails and wishes to retake the exam when conducted at the next course.
